

Save Time and Money With Daston's Outsourced Accounting Solutions

Is your company spending more money and time than you'd like on accounting systems? Daston's Outsourced Accounting Solutions not only save you money, but more importantly give you back valuable time so that you can focus on what you do best...growing your business.

Daston has combined decades of IT and accounting experience to tailor a turnkey solution for small to mid-sized Federal government contractors who require DCAA compliance.

Daston's DCAA on Demand Outsourced Accounting Solutions include:

- Industry-leading NetSuite software
- Daston's proprietary DCAA On-Demand software
- Accountants specialized in government contract accounting.

Daston's team of accounting professionals and NetSuite software experts help make your government contract accounting processes accurate, efficient, and affordable.

Daston's Outsourced Accounting Solutions Include:

- Financials created using NetSuite + Daston DCAA on Demand Cloud Software
- Customer invoicing
- Vendor payment processing
- Bank/credit card reconciliations
- Monthly financial reporting (balance sheets/income statements)
- Indirect rates (fringe, OH, G&A, other) management
- Contract funding and value reporting
- Profitability reporting by contract
- DCAA compliant accounting processes and procedures
- DCAA compliant electronic timesheets
- Incurred costs submission reports
- Plus, much more...

BENEFITS

Timely, Accurate, Effortless Accounting

Harness the power of NetSuite's industry-leading technology while working with accountants who understand the intricacies of government contracting. Our accountants and bookkeepers speak the language of Government Contractors: FAR compliance, indirect rates, cost plus invoicing, incurred costs submission reporting, project accounting, and DCAA compliance.

More Time to Focus On Your Core Competencies

Spending too much time dealing with booking and accounting issues? Need more time to focus on developing and growing your business? Let Daston's DCAA on Demand Outsourced Accounting Services deliver timely and accurate financials to your business so you can focus on your core competencies.

Save Time...Save Money

Discover an easier path to producing DCAA-compliant financials. Eliminate the time and expense associated with hiring, training, and managing employees. Daston's resources are **exclusively** focused on servicing Federal Government Contractors utilizing the Daston + NetSuite software. Imagine:

NO recruiting

NO software training

NO staff management responsibilities

NO managing employee benefits

So, whether you are a new government contractor preparing for a SF 1408 pre-award audit or a seasoned contractor looking for an easier path to compliance, Daston has a solution for you! Visit www.daston.com to set up a free consultation.
